

Improved reliability and wearing comfort

Introducing the new Lyric™4

With the introduction of Lyric4, we continue to provide the same unique **100% invisible hearing experience with clear natural sound**, with some additional enhancements.

One of the many advantages to you as a Lyric wearer is that you will always have access to the latest Lyric technology at every refit, so we can't wait for you to experience the new Lyric4.

Lyric4 maintains the unique benefits of Lyric:

- ✓ 100% invisibility: the world's only hearing aid that is completely invisible
- ✓ 24/7 wearability: the world's only hearing aid that is worn day and night for months at a time
- ✓ Hassle-free: the world's only hearing aid that does not need battery exchanges or charging, cleaning or other maintenance by the user

Lyric4 improvements:

Phonak Lyric™

- + Improved reliability, mainly during the first 30 days of wear
- + Improved protection against humidity and cerumen (earwax)
- + Improved wearing comfort

We look forward to fitting you with the new Lyric4!
